Family Swim is designed as a play time in the water for families with children 12 years and under. All children must be accompanied in the water by an adult. Family Swim takes place in the recreation pool and shares pool space with lessons. Mushroom area & water slide are not available.

The Splash Park is an un-lifeguarded area of the swim center with times available for families to enjoy playing in water. Parents/guardian's are solely responsible for their children at all times.

Recreation Swim is a non-structured swim time for people of all ages to enjoy the water. Basic rules of water safety and behavior will be enforced. Swim diapers are required for children 3 and under. All children ages 6 years old and under must be accompanied in the water by an adult. Adults must be in the water and remain within arms reach of their child. Swimmers must be a minimum of 48 inches tall to us the water slide. Spring Recreation Swim is held in the small pool. Lap pool and diving boards are not available.

Lap Swim shares pool space with other programs (masters, lessons, aerobics, etc). Typically 2-4 lanes are available during lap swim. The shallow section of the big pool is often used for lessons or water aerobics and may not available for lap swim or water walking. Please check the schedule or call the swim center for water walking availability.

Swimmers must exit the locker rooms and facility within 20 minutes of the end of their scheduled program.

El Cerrito Swim Center is not responsible for lost or stolen items. Do not leave belongings unattended. Lockers are available for use in the locker rooms.
