

El Cerrito Afternoon Earth Day Celebration

# THE SOIL FOODWEB

## PRESENTATION BY SUZANNE SCHRIFT

Suzanne Schrift will give an hour-long presentation on how to build healthy, regenerative, and living soil by nurturing soil microbes and working with them to feed your plants, reduce disease, and increase water retention. Sponsored by the El Cerrito Environmental Quality Committee Community Chats group, this presentation will be followed by discussion and "Q. and A." Bring your soil questions!

**1:30 PM TO 3:00 PM**

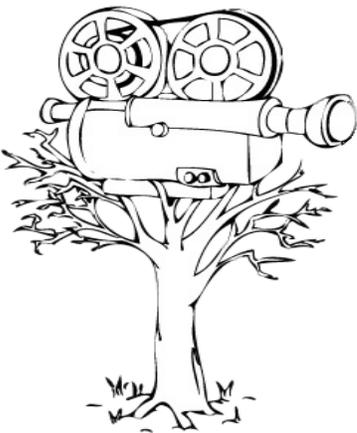

# IN SEARCH OF GOOD FOOD

## FILM BY ANTONIO ROMAN-ALCALA

A documentary which follows Antonio Roman-Alcala, a young local filmmaker and urban farming activist from San Francisco, as he explores the sustainable food system in California. The film is one hour long, followed by a short film by Deborah Craig about the Verde Garden in a local Richmond school. These films are part of the Eco-Film Series sponsored by the El Cerrito Environmental Quality Committee.
