Periodically, Lamorinda CERT Foundation purchases items to resell. We sell both water storage items and fire extinguishers. The water items include FDA Approved, food grade plastic water barrels with associated drum wrenches, spigots, pumps and other accessories. The fire extinguishers are USA made, commercial quality, rechargeable extinguishers. Residents must pre-order so that we can get to even pallet quantities. An email will be sent confirming your purchase. The advertised prices include all freight and sales tax. Sale closes at noon on Thursday, September 26th, 2019. **The pickup will be October 4-5 .**

We **HIGHLY** recommend purchasing water storage items as a Package as they contain everything needed for a single location including drum(s), wrench, dispensing method (spigot or pump), bleach, a bleach dosing syringe and instructions. To calculate how much water you need, multiply number of people * 2 gallons per day * number of days you want to have water to drink following a disaster. You can add additional drums of the same size for more capacity.

Before ordering, please [CLICK HERE](#) for a detailed explanation of what you will need and how to use the items. If you are still unsure, email us at: water@lamorindacert.org

We are an all-volunteer organization and schedule pickup dates in cooperation with the fire district and when we can get our crew together. All products *must be picked up on the pickup dates below*. If you cannot arrange for pickup on the announced dates, PLEASE DO NOT ORDER.

The Moraga-Orinda Fire District, and El Cerrito Fire Department have no responsibility for this program. It is strictly a program of Lamorinda CERT Foundation, a wholly volunteer 501(c)(3) charity. No fire district personnel have any answers to any questions and they cannot deliver product. All product must be picked up at the designated pickup times because these are the only times the volunteers will be available.

Pickups will be at the El Cerrito Corporate Yard, at the East end of Schmidt Ln on:

Friday, October 4th, 2019 5 p.m. – 8 p.m.

Saturday, October 5th, 2019 9 a.m. – 12 p.m.
