

**El Cerrito Police Department
40-Round Rifle Qualification Course**

Equipment: BT-5 El Dorado DA target, patrol rifle, duty handgun, magazines, 37 rounds of rifle ammunition, 3 rounds of handgun ammunition.

Standard: The officer will be required to demonstrate proper firearms safety, weapon handling, and the ability to effectively engage a target at various distances. Shots in the center red "X" ring, surrounding grey ring, the red "X" zone of the head, and the grey spinal column will be scored as 2 points. Any shot in the body but outside the red or grey zone will be scored as 1 point. Head shots not in the red "X" zone and shots not in the body will be scored as 0. There are a total of 80 points available.

Disqualifiers: Any score below 56 points (70%) or ANY safety violations.

*Officers will begin with only 5 rounds total in the rifle (1 in the chamber, 4 in the magazine).
