

TRANSFORMING DEL NORTE

El Cerrito del Norte TOD Complete Streets Improvement Project

www.el-cerrito.org/transformingdelnorte.

The El Cerrito del Norte TOD Complete Streets Improvement Project will implement multimodal transportation improvements identified in the San Pablo Avenue Specific Plan and Active Transportation Plan, adopted by City Council in 2014 and 2016, respectively, after robust public outreach. The project is in the detail design phase and construction is scheduled to start in Spring 2023.

The project consists of improvements for bicyclists, pedestrians, transit users, and motorists to support transit-oriented development in the Uptown area of the Specific Plan. Project elements include enhanced and protected crosswalks, context-sensitive bikeways, bus boarding islands, circulation improvements, and various streetscape enhancements around and leading to the Del Norte BART Station.

Watch out for opportunities to participate this summer
