Wednesday, September 11, 2013

6:30pm – 8:30pm

El Cerrito City Hall

City Council Chambers
10890 San Pablo Avenue
El Cerrito, CA 94530

All are invited to this workshop to discuss the proposed plans for a 63 unit affordable senior housing development at 10860 San Pablo Avenue adjacent to the El Cerrito City Hall.

At the meeting we would like to focus community input on ways to honor the history of the Contra Costa Florist building located on the site, the Japanese American community and their contribution to El Cerrito through the design of the community plaza, landscaping and other commemorative features. Please come and share your ideas.

For more information about the proposed project please visit the City of El Cerrito Community Development Department website at <http://www.el-cerrito.org/index.aspx?NID=625>

We hope to see you there!
