# Chasing Ice

Thursday, April 17  
7:00 p.m. to 9:00 p.m.

Rialto Cinemas Cerrito  
10070 San Pablo Ave., El Cerrito

This event includes a post-film panel discussion

Join the City of El Cerrito's Environmental Quality Committee for a **FREE SHOWING** of the award-winning film *Chasing Ice*, a beautifully filmed chronicle of climate change, revealed through dramatic time-lapse images capturing the retreating glaciers and polar ice cover.

*Chasing Ice* is the story of one man's mission to change the tide of history by gathering undeniable evidence of our changing planet. James Balog and a band of young adventurers undertake the Extreme Ice Survey, a deployment of pioneering time-lapse cameras across the brutal Arctic to capture a multi-year record of the world's changing glaciers.
