Need a break from the hustle and bustle of your busy daily schedule? Want to go to a peaceful, and calming place where you can see spectacular views, beautiful gardens and amazing architecture then you will want to visit the beautiful churches on the hill in Oakland. Your first stop will be at Ascension Greek Orthodox Cathedral for a guided tour. Built in 1960, this structure is a beautiful blend of modern elements and traditional design. Next, move on to the Mormon Temple, an East Bay landmark. You will stop at the Temple Visitor Center, where you will be treated to a stunning panorama of the San Francisco Bay Area and numerous displays including an inspiring reproduction of Thorvaldsen's Christus statue. You will then have the opportunity to enjoy the beautiful water fountains, colorful gardens and towering palm trees as you wander through the magnificently, manicured grounds around the Temple.

\*Lunch to follow at Le Cheval\*
