Monet: The Early Years will be the first major US exhibition devoted to the initial phase of Claude Monet's career. Through approximately sixty paintings, the exhibition demonstrates the radical invention that marked the artist's development during the formative years of 1858 to 1872. In this period the young painter developed his unique visual language and technique, creating striking works that manifested his interest in painting textures and the interplay of light upon surfaces.

All trips leave from Civic Theatre parking lot.
(Pomona & Moeser Lane)

Advance reservations are required and space is limited.

Payment is due upon registration.

Transfer/Cancellation fee is \$15.00.
