Docent lead tour. Baia combine the art of traditional Italian pasta making with great American-grown grains. They are inspired by their roots in Piemonte (Northern Italy), where food is passion, a language, an emotion; food is everything. They have a small shop and production facility in Jack London Square, so close to the San Francisco Bay, they thought their name was both clever and fitting: Baia means "bay" in Italian.*Lunch included after the tour at Desco Restaurant*

All trips leave from Civic Theatre parking lot.
(Pomona & Moeser Lane)
