MADERA AFTER SCHOOL ENRICHMENT PROGRAM

MASEP Session 3: Spring 2022

Online Registration: Tuesday, March 22, 2022 at 9am

Classes Begin: Monday, April 11, 2022

Together with your school and parent volunteers, the El Cerrito Recreation Department coordinates with professional instructors, coaches and organizations to host a variety of classes held conveniently after school on the Madera campus. We strive to offer a program that allows students to discover and develop passions in academics, visual arts, athletics, performing arts and more!

1. Beginning 3/22 online registration and payment of course fees can be completed at www.el-cerrito.org/onlinereg. Registration is only accepted online through the El Cerrito Recreation Department.
2. MASEP inquiries can be directed to the El Cerrito Recreation Department at recreation@ci.el-cerrito.ca.us or (510) 559-7000.
3. Registration will be open for all at the same time and is first come, first served. All classes have varying minimum and maximum enrollment sizes. Classes may be subject to cancellation if minimum enrollment is not fulfilled. You will receive a full refund if a class is cancelled due to low enrollment. A waitlist will be maintained for classes that fill to their maximum enrollment.
4. During the online registration process, all registrants will be asked to agree to the MASEP Policy Statement and Waiver. Please review these policies carefully, as they contain important information on COVID-19 protocols, check-in, pick-up, materials fees, refunds, inclement weather procedures and more.
5. If applicable, Materials Fees must be paid directly to the MASEP course instructor by the first day of class. Failure to pay materials fees by the 3rd class may result in dismissal from class with no refund of the paid course fee. Your registration receipt will contain information on paying the Materials Fee via check or app (i.e. Venmo or PayPal).
6. Many MASEP classes take place outdoors. **Outdoor classes are subject to cancellation due to inclement weather such as heavy rain or poor air quality.** Families will be notified via email and/or phone call if classes are cancelled at about noon on the class date. Every effort will be made to add make-up time for missed class time due to inclement weather. If make-up time is not possible, families will receive a prorated credit on their account. **Families must be prepared with alternate after-school plans if MASEP classes are cancelled.**
7. COVID-19 Protocols will be in place throughout the session, in line with school procedures. Masking will follow school guidelines, and is required of any student identified as a close contact for 10 days. Students are required to stay home if exhibiting any signs of illness or fever. If a student did not attend school due to illness, they may not attend their MASEP class. It is recommended that children limit the number of different extracurriculars in which they participate.
8. Madera Aftercare students must check-in at the Madera STEAM Room or MPR prior to their MASEP class. City Staff will escort them to their MASEP class. All other students must check in directly with the class instructor at the class location.

MONDAY

Improv & Theater Games: Geri Engberg

Grades: 2-6

Participants will be introduced to basic concepts of comedy improv such as “yes and” (enthusiastically accepting what is offered), “group mind” (listening to each other and working as a team) and “space object work” (miming). Using warm-up exercises and improv “structures,” students will be encouraged to trust their instincts, think on their feet and support each other. They will also laugh a lot! This is great class for building confidence.

TUESDAY

Junior Tennis: Kassirer Sports

Grades: 1-4

Kassirer Tennis was created by Laura Kassirer, a former Wimbledon player. Coaches provide portable nets, junior racquets & starter balls, and emphasize sportsmanship and teamwork while instilling that every child can succeed through persistence and practice. Players will learn professional quality fundamentals and enjoy group games while improving fitness, hand-eye coordination, agility, and ability to rally. Class will be grouped by grade so coaches can teach to each player's level and abilities. Coaches also make sure players are socializing, staying active and smiling a lot!

STEM FUNDamentals with LEGO®: Play-Well Teknologies Staff

Grades: 1-5

Level up your engineering skills with Play-Well TEKnologies and tens of thousands of LEGO® parts! Apply real-world concepts in physics, engineering, and architecture through engineer-designed projects, some new and some repeated from previous session (returning students welcome!). Design and build as never before and explore your craziest ideas in a supportive environment.

WEDNESDAY

Kassirer Basketball: Kassirer Sports

Grades: 1-6

Kassirer Basketball was developed by a former professional athlete, and provides players the opportunity to learn quality fundamentals as well as defensive and offensive tactics. Players will enjoy basketball games and small scrimmages each week. Coaches provide kid-sized lighter basketballs, and teach to each player's ability. Classes emphasize sportsmanship, communication, technique and teamwork while instilling that every child can succeed through persistence and practice. Coaches also make sure kids are socializing and smiling a lot!

Textile Arts: Tracey Shababo

Grades: 2-6

This all-levels class is an exploration of textile and needle arts. Each class will focus on hands-on projects that may include felting, sewing, knitting, weaving, fabric dyeing, embroidery, block printing, quilting and more. Students will be encouraged to explore their creativity while learning useful and fun skills. Students will also be introduced to the ways that a craft circle can become a supportive and inspiring community of makers.

Materials Fee of \$45 is due on the first day of class. Materials Fee will be used for fabric, thread, needles, embroidery floss and other textile art supplies.

THURSDAY

Super Soccer Stars Classic Skills: Super Soccer Stars Staff

Grades: 1-3

The focal point at this age group is to improve player's elementary capacity through fun games, technical skill development and group activities like small-sided games to goals. Every Super Soccer Stars class emphasizes spatial awareness, encouragement and teamwork. Repetitious ball skill activities are used to promote muscle memory and build confidence.

Fun Environmental Science: Veronica Medina-Ross

Grades: 1-5

Students will learn about our planet with hands-on experiments and fun activities. During the Spring session students will learn about the causes of climate change. Students will learn about the different types of energy and the importance of saving energy to fight this problem. In addition, students will also learn about renewable and non-renewable sources of energy. At the end of this program, students will be aware of ways to protect our planet. For more information visit: <https://sites.google.com/view/vmr-funenvironmentalscience/home>. **\$15**

Materials Fee due by the first day of class. Materials Fee will be used for project and experiment supplies, class worksheets and more.

FRIDAY
