

JOIN THE RECREATION DEPARTMENT IN SEPTEMBER... 30 IN 30 CHALLENGE

For the month of September join us in committing to 30 miles of physical activity for 30 days.

WHY TAKE ON THE 30-DAY CHALLENGE?

Studies say it takes 21 to 30 days to break old habits and create new ones. A 30-day challenge allows you to build healthy habits that may stick with you for life. It also helps to prevent boredom from your daily routine.

COMMUNITY CHALLENGE & RESOURCES

Visit us online to download a 30-Day Challenge Movement Tracker where you can keep track of your family's, social bubble's, or personal movement.

Also available online is our calendar of alternative movement options outside of the usually physical activities.
