BART: Berkeley-El Cerrito Corridor Access Plan (BECCAP)
In 2021, BART launched the Berkeley – El Cerrito Corridor Access Plan (Corridor Access Plan) engagement process to seek community feedback for future access strategies to and from BART and other transit along the corridor between El Cerrito Plaza and Ashby stations. The Corridor Access Plan will help BART and its partner cities ensure riders can access BART when housing is built on the El Cerrito Plaza, North Berkeley, and Ashby BART parking lots. For more background information, visit bartberkeleyelcerritocap.participateonline/. In 2023, the plan was been finalized and is available on at www.bart.gov/beccap. It will be used by BART, El Cerrito, Berkeley, and other agencies to implement recommended strategies that help riders access BART.

BART: Board of Directors Meeting
What: El Cerrito Plaza TOD Development
